

This certifies that MAAC has authorized **SIMCOE MODEL AIRPLANCE CLUB [CLUB 482, Zone L]**

To operate the following categories of models: **mRPAS & RPAS**

At or from the following location: **BRAYFORD SOD 6285 12th Line, 6719 12th Line, Alliston, ON – within 0.5 nm of 44 07' 29"N, 79 48' 15"W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, the club rules and the MAAC Safety Code.

MAAC provides the following:

- This site requires all PRAS pilots to meet Basic RPAS requirements for RPAS operations below 400'AGL.
- RPAS pilots intending to operate above 400'AGL must have a valid and current Advance RPAS Operators certificate or be operating under an appropriate authority issued by MAAC or Transport Canada.
- As the pilot stations are located within 3nm of an aerodrome Alliston Heliport - CPJ2 is located 1.4 nautical miles north of the model site. Beeton Field CBF3 – Aerodrome is located 2.7 nautical miles south of the modelling site. The club's rules must conform to MAAC policy and procedure documents and include any additional procedures the club must follow to ensure RPAS operations do not interfere with aircraft operating within the established traffic pattern (CAR 901.47(1)).
- While operating RPA above 400', the VO or other responsible adult **shall** monitor the listed Aerodrome Traffic Frequency of 123.2MHz for full scale aircraft operations that may affect the RPA site.
- This site has been approved for RPAS operations to a maximum altitude of **1600'AGL**, provided all conditions outlined in the MAAC approved club rules and MAAC SFOC are met.
- CAR compliance remains an individual responsibility.
- Any changes to club rules or procedures upon which this authorization was issued **MUST** be approved by MAAC.

This authorization is valid until the SIMCOE MODEL AIRPLANCE CLUB [CLUB 482, Zone L] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.

President, MAAC
